SIBAT

INTERNATIONAL DEFENSE COOPERATION

## ► SIBAT – ISRAEL MINISTRY OF DEFENSE

SIBAT is the International Defense Cooperation directorate of the Israel Ministry of Defense.

Working with partners all over the world, SIBAT serves as a gateway to Israel's vast defense ecosystem. As a government directorate, SIBAT fulfills a leading role in the Israeli Defense Ecosystem, maintaining a close, ongoing relationship with Israel's defense industries, the IDF and other Israeli defense authorities. This unique position enables SIBAT to remain informed in a fast-paced and dynamic defense field, to promote international defense cooperation and to provide global partners with tailored defense solutions.

## ► AERONAUTICS LTD.

**AERONAUTICS™**  
YOUR EDGE IN THE FIELD

Established in 1997, Aeronautics is a world leader in designing, developing and manufacturing Unmanned Aerial Systems (UAS) for the global defense & HLS markets. Backed by continuous R&D and with proven excellent performance and operability, Aeronautics' product portfolio includes the expertise of its subsidiaries and offers solutions for a wide range of Intelligence, Surveillance and Reconnaissance (ISR) missions with cutting-edge systems for the modern battlefield. Having been acquired by Rafael Advanced Defense Systems, Aeronautics utilizes the technological synergy between the two companies to strengthen its position as a leading unmanned and autonomous solutions integrator.

## STEADICOPTER LTD.

**STEADICOPTER**✈

Steadicopter Ltd. is a revolutionary player in the Rotary Unmanned Aerial Systems (RUAS) industry, specializing in the design, development, and production of rotary tactical UAS. The company delivers exceptional, unprecedented, proven solutions for military, HLS and civilian applications. It provides full-featured solutions for any in-field requirements, enabling vertical take-off and landing, steady hovering and leading mission sensor suites for day and night. Steadicopter is ISO-9001/20015 certified for development, manufacturing, marketing, and sales.
