סיבאט

INTERNATIONAL DEFENSE COOPERATION

ISRAEL at ADAS 2024

Manila, Philippines | September 25-27
Hall A

SIBAT – ISRAEL MINISTRY OF DEFENSE

Hall A | Booth #1110

Sibat is the International Defense Cooperation directorate of the Israel Ministry of Defense. Working with partners all over the world, SIBAT serves as a gateway to Israel's vast defense ecosystem. As a government directorate, SIBAT fulfills a leading role in the Israeli Defense Ecosystem, maintaining a close, ongoing relationship with Israel's defense industries, the IDF and other Israeli defense authorities. This unique position enables SIBAT to remain informed in a fast-paced and dynamic defense field, to promote international defense cooperation and to provide global partners with tailored defense solutions.

CORSIGHT AI LTD.

Hall D | Booth #341

Valuable information often goes unnoticed in standard video footage. Corsight AI addresses this issue by providing highly accurate facial recognition in challenging real-world conditions including poor video quality, low light and extreme weather. Trusted by law enforcement agencies and commercial organizations worldwide, Corsight AI's technology ensures that no critical detail is overlooked.
