

MEPROLIGHT LTD.

Is an electro-optics company, developing, manufacturing and marketing systems for armed forces, law enforcement agencies, and the civilian market since 1990. Meprolight provides a comprehensive array of combat proven solutions, focusing on infantry forces, including:

- Optical, electro-optical sights and devices.
- Night vision sights and observation systems.
- Uncooled thermal weapon sights.
- LRF – a wide range of innovative OEM laser rangefinders, hand-held LRFs and fire control systems.
- Tritium – a variety of self-illuminated night sights and other tritium products.

All of Meprolight's products undergo meticulous quality assurance according to international standards. The company is certified to ISO 9001:2008, ISO 18001

(2007) and ISO 14001 (2004) complying with NATO and US military specifications and International MIL standards.

State-of-the-art technology combined with high reliability and simplicity of use have made Meprolight the vendor of choice among India military forces, India law enforcement agencies, defense agencies and weapon manufacturers in India. Meprolight variety of products can be found among the different defense units in India.
