SIBAT – ISRAEL MINISTRY OF DEFENSE

D-568

SIBAT is the International Defense Cooperation directorate of the Israel Ministry of Defense (IMOD).

Working with partners all over the world, SIBAT serves as a gateway to Israel's vast defense ecosystem. As a government directorate, SIBAT fulfills a leading role in the Israeli Defense Ecosystem, maintaining a close, ongoing relationship with Israel's defense industries, the IDF and other Israeli defense authorities. This unique position enables SIBAT to remain informed in a fast-paced and dynamic defense field, to promote international defense cooperation and to provide global partners with tailored defense solutions.

www.Sibat.mod.gov.il | merav_dar@mod.gov.il | 972-3-6977930

AERONAUTICS LTD.

E-752

Aeronautics Group is a world-leading developer and manufacturer of unmanned aerial and advanced ISTAR solutions. Its multi-operational, multi-purpose systems offer the most innovative, groundbreaking solutions for optimal performance and reliability.

www.aeronautics-sys.com | GalitBZ@aeronautics-sys.com | 972-50-5907450

ARI PHANTOM TECHNOLOGIES LTD.

E-700

Developer and manufacturer of RF jamming related equipment.

Provides a variety of communication jamming solutions for all RF based applications such as Counter UAV systems, GNSS, Cellular, HF/VHF/UHF tactical communications, SAT communication, etc.

Our systems are provided in multiple configurations: stationary, man portable, vehicle mounted, etc.

www.phantom-technologies.com | sales@phantom.co.il | 972-3-921-5720

▶ **BAT - BEIT ALFA TECHNOLOGIES LTD.**

D-568

BAT is a leading designer and manufacturer of Riot Control Vehicles for over 40 years.

BAT has developed the most advanced and effective Riot Control Vehicles, based on our state-of-the-art computerized "Jet Pulse Water Cannon System", which is unique, non-lethal, accurate, effective and user friendly.

BAT manufactures a complete line of Riot Control Vehicles, with over 15 different models, on a wide variety of commercial chassis.

BAT Riot Control Vehicles have been "proven in action" in more than 45 countries worldwide.

www.hosrnd.com | reuven@hosrnd.com | 972-52-2681804

▶ **BEESENSE SENSOR SOLUTION LTD.**

E-301

Beesense is a global provider of advanced Sensor-fusion based surveillance and Observation solutions. Beesense designs, develops and manufactures integrated multi-sensor systems for land, air, and maritime applications, delivering high-sensitivity thermal imagery, precise electro-optics, radar and data fusion technology, providing high-performance intelligence, surveillance, and reconnaissance solutions to the HLS and defence sectors.

www.beesense-sys.com | Hadarze@Avnonholdings.com | 972-52-2850262

▶ **BETH-EL ZIKHRON YAAQOV INDUSTRIES LTD.**

B-483

Beth-El Industries is a world leader in the manufacture and design of CBRN collective protection systems, including HVAC, for integration onto armored vehicles, mobile shelters, tents, vessels, and bomb shelters. Beth-El also offers engine air cleaners for tanks and heavy vehicles and mobile medical isolation system and mobile clean rooms.

www.beind.com | a.gluska@beind.com | 972-4-6299904

BIRD AEROSYSTEMS LTD.

D-681

BIRD Aerosystems, a global provider of innovative defense technology and solutions, protects the air, sea and land fleets, of governments and related agencies. BIRD secures these assets via its industry-leading missile protection, and border task force, solutions. Amongst its customers are the US government, UN Air Operations and NATO forces.

www.birdaero.com | shaul@birdaero.com | 972-54-3055828

BLUEBIRD AERO SYSTEMS LTD.

D-680

BlueBird Aero Systems is a dominant player in the Tactical Unmanned Aerial Systems (TUAS) industry. BlueBird specializes in the design, development and production of high-performance, micro, mini & tactical UAS. The company delivers superior, combat-proven VTOL UAV solutions to meet the challenges of defense, homeland.

www.bluebird-uav.com | nirw@bluebird-uav.com | 972-54-936-3040

CAMERO-TECH LTD.

F-701

Camero-Tech is a world leading pioneer in Sense-Through-The-Wall (STTW) solutions that deliver real time situational awareness of objects concealed behind walls. Camero's Xaver™ line of imaging systems have been chosen by top military and law enforcement agencies and deployed worldwide in elite customer locations, for unique military and Homeland Security (HLS) applications.

www.camero-tech.com | ilan@Camero-Tech.com | 972-54-4235252

CI SYSTEMS

H-512

CI Systems has been a worldwide provider of a wide range of Electro-Optical Test and Measurement equipment for nearly four decades.

CI Systems' offering consists of a comprehensive selection of products ranging from IR radiation sources such as Blackbodies and Integrating Spheres, to state-of-the-art threat simulators.

www.ci-systems.com | market@ci-systems.com | 972-4-6448888

COMMTACT LTD.

H-528

Commtact a leading provider of mission-critical wireless communication solutions for demanding Defense and First Responder applications. We specialize in delivering innovative wireless systems for aerial, ground and naval platforms. Commtact's field-proven systems, seasoned professionals and outstanding services enable military and first responder users to achieve maximum mission performance in harsh environments.

www.commtact-systems.com | sharonz@commtact.co.il | 972-54-4924096

CONDOR PACIFIC LTD.

D-568

Condor Pacific is a leading global provider of advanced gyroscopes and inertial systems for the defense sector.

With tens of thousands of field-operation units worldwide, Condor Pacific offers comprehensive, tailored and cutting-edge solutions.

Our new low-cost inertial North Seekers and Land Navigators will add inertial capabilities to any platform in GPS deprived environments.

www.condorpacific.co.il | shilo@condorpacific.co.il | 972-2-5322-267
ivan@condorpacific.co.il

▶ CONTROP PRECISION TECHNOLOGIES LTD.

H-528

CONTROP specializes in the development and production of multi sensors electro-optical and precision motion control systems for surveillance, defense and homeland security.

CONTROP's main product lines include: high performance Stabilized Observation Payloads used for day/night surveillance onboard UAS, small UAS and aerostats/balloons, helicopters, light aircraft, maritime patrol boats, remote weapon stations, armored fighting vehicles and other land installations.

www.controp.com | Hadas.amir@controp.com | 972-54-5604424

▶ COPTERPIX LTD.

ED-653

CopterPix Drones based on CPX Opened Framework, full end-to-end open-source hardware/software solution, allows 30% advantage (longer time/distance, heavier payloads) than ANY commercial platform worldwide:

- ERE-95 drones for inspection missions (100min flight)
- ERE-95 Hybrid (mid-air stop/start for low-noise missions) w/7.5hours flight time
- APS300 Autonomous patrolling system using micro-drones w/small mobile docking nest enabling autonomous 24/7 patrolling for sites w/perimeters up to 5km.

www.copterpix.pro | igal.y@copterpix.pro | 972-54-4646758

▶ CTI COMPUTECH INTERNATIONAL LTD.

D-568

CTI has design, development, manufacturing, integration and service facilities in both Israel and the United States enable rapid support to customers' needs and requirements.

CTI's portfolio of solutions includes:

- Ruggedized computers and RVD
- Mission computers based on Nvidia Jetson
- Wearable rugged computers Situational
- Awareness solutions
- GCS for UAV's and UGV's
- Tactical rugged switches managed and unmanaged

www.cti-intl.co.il | ilan@cti-intl.com | 972-52-9271974

▶ ELBIT SYSTEMS LTD.

D-567

Elbit Systems is engaged in a range of defense, homeland security and commercial programs throughout the world. The Company operates in the areas of aerospace, land and naval systems, C4ISR, unmanned systems, electro-optics, space systems, EW, cyber and munitions, upgrading of existing platforms, a range of support services, including T&S.

www.elbitsystems.com | info@elbitsystems.com

▶ EPSILOR-ELECTRIC FUEL LTD.

H-492

Epsilor, global developer & manufacturer of batteries, chargers & mobile power management & BMS for defence, aerospace, IOT & marine, presents COMBATT 6T Li-Ion Batteries for vehicles & robots with highest energy density across the category. Epsilor offers a variety of electro-chemistries, smart electronics and sophisticated battery management systems (BMS).

www.epsilor.com | hagaish@epsilor.com | 972-52-618-0182

▶ FIBROTEX TECHNOLOGIES LTD.

E-681

With over half a century of experience worldwide, Fibrotex provides camouflage solutions for most of the NATO Armed forces. In 2018, Fibrotex was selected as the Sole provider to the US Armed forces with the most advanced Camouflage Systems (ULCANS) for the next decade.

www.fibrotex-tech.com | Oshri@fibrotex-tech.com | 972-54-2377308

► GATE TECHNOLOGIES LTD.

D-568

GATE Technologies is an innovative electronic safe & arm device (ESAD) company. For over 25 years, GATE has been providing unique solutions to a vast range of needs, from innovative infantry-operated ESADs to cutting-edge low-volume missile & loitering ammunition ESADs. Among other solutions, GATE offers its international customers outstanding in-house customizing capabilities.

www.gatetech.co.il | Gal@Gate-dev.com | 972-54-4467015

► GENERAL ROBOTICS LTD.

D-468

General Robotics develops and manufactures advanced robotic and RCWS systems. We provide situational awareness 360° with Point & Shoot™ capabilities. General Robotics is a certified supplier to Defense Ministries around the globe.

www.glrobotics.com | idan@glrobotics.com | 972-52-874-2339

► GILAT TELECOM LTD.

D-568

ELITE COMMUNICATIONS SOLUTIONS

GILAT Telecom, Government Division provides end-to-end strategic and tactical solutions including communications over satellite, fiber optic, and radio infrastructure to governments, defense, HLS, and first responders organizations around the world.

We offer trusted partnerships helping to successfully carry out the most complex and impactful missions.

www.gilatgov.net | ami@gilat.net | 972-54-4493849

► GOLDTEC TECHNOLOGIES LTD.

H-568

Military DVR's by Goldtec Technologies Ltd. a manufacturer of Digital Video, Data & Audio Recorders, with tactical HD displays for extreme conditions that can use as a held hand, vehicles and vessels.

Thermal Beacon Ltd. develops and produces high-end innovative Secure Optical Signaling as an optical IFF (Identification Friend or Foe) at the thermal LWIR MWIR and SWIR wavelength.

www.goldtec.co.il
info@goldtec.co.il

972-3-5377870

► HAGOR INDUSTRIES LTD.

D-568

Founded in 1956, "Hagor" is a leading Israeli manufacturer and supplier of ballistic body armour, life-saving protective solutions, and advanced carrier systems for the IDF, Security Forces and First Responders. Hagor is known for producing high-performance ballistic and non- ballistic textile solutions.

www.hagor.com
Dima@hagor.co.il

972-52-6009359

► IAI-ISRAEL AEROSPACE INDUSTRIES LTD.

D-698

A leader in defense, aerospace, and commercial markets, IAI leverages state-of-the-art technology and decades of combat-proven experience delivering solutions to your national defense and security challenges.

Delivering large turnkey projects, IAI acts as a prime contractor, subcontractor, and team members in dozens of large programs for the aerospace, land, sea, and cyber domains and multi-domain applications. IAI is a fully government owned company.

972-52-8906480

▶ IMPERTECH INDUSTRIES LTD.

HG-603

Impertech LTD. has been producing and supplying CBRN kits for over then 3 decades to the IDF - Israeli army and exclusive armies worldwide.

Our CBRN products meet the most stringent requirements and standards and help protect civilians, first responders and soldiers under chemical, biological and radiological threats.

In EUROSATORY 2022 we will present for the first time our latest and most advanced gas mask and respiration blower, we invite you to our booth at Hall 5a #HG603.

www.impertechsafety.com | salesg@impertechsafety.com | 972-3-5622333

▶ INFINIDOME LTD.

We develop GPS protection and resilient navigation solutions tailored to defend UAVs and vehicles from jamming attacks.

Today we're disrupting GPS protection for UAVs for defense/HLS and will do the same for delivery drone protection tomorrow.

www.infinidome.com | noa@infinidome.com | 972-54-7799569

▶ iSTAR. UAV

E-301

iSTAR delivers bespoke UAS solutions from aerial monitoring, perimeter and border security to surveillance operations, search & rescue and first response missions, providing world-class unmanned platforms specially designed for long-endurance missions.

iSTAR designs and produces special purpose, fixed-wing and VTOL airborne systems and sub-systems for HLS and commercial applications.

www.istaruav.com | Hadarze@Avnonholdings.com | 972-52-2850262

IWI - ISRAEL WEAPON INDUSTRIES LTD.

IWI - Israel Weapon Industries is a leading global manufacturer of innovative small-arm systems for over 85 years. IWI designs and develops technologically advanced systems for military, homeland security and commercial agencies worldwide. IWI product ranges are deployed in close collaboration with the Israel Defense Forces (IDF), seeking technological innovation, manufacturing excellence and outstanding performance.
